American Lincoln Parts - The American Lincoln division is currently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment which are recognized in the industry as strong and durable machines that meets the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to provide parts, warranty service and equipment for these scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers such as Target and Wal-Mart. The 7765 line has earned the respect of various facility managers where efficiency and results matter. Lately, this floor scrubber model has been requested by the architects in different construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on site due to the model's high standard of quality and supreme performance level for polishing concrete.
