

Electrical Part for Forklifts

Forklift Electrical Parts - Forklifts together with other forklifts can have particular labels utilized in some hazardous locations. The mark denotes that this specific model of lift truck meets the minimum standards of ANSI/UL 553 utilized for electric lift trucks or ANSI/UL 558 used for internal combustion engine forklifts.

The use for labels intended for lift trucks may be found in National Fire Protection Association NFPA 505 - Powered Industrial trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance carrier and Fire Marshall for more information regarding the permitted uses of industrial powered lift trucks in your application.

If the forklift has been proven to meet the outlined standards, the following labels may be placed. A labeled truck will have the model description put on the forklift nameplate and will have one of the following labels put.
